## ASPIRING PROFESSIONAL

---

This level requires complete dedication and a solid foundation in classical ballet. Students must excel in school, be determined in dance and skilled in time management. The benefits of such training prepare the young mind for a brilliant work ethic, self-awareness and ability to succeed. At this level, we would still like the dancers to have their pointe shoes checked by a faculty member when they are changing styles/brands. We do not recommend the dancers wear the Russian Pointe brand of pointe shoes. We continue to recommend leather ballet shoes; canvas shoes will be allowed in the Advanced and Company levels.

### Advanced Intermediate Level (VII/VIII)

**Attire:** Black uniform leotard (Mirella M201LD), pink tights, pink leather ballet slippers, black character skirt, black pointe skirt (Mirella MS12), pointe shoes, black tights and black jazz shoes. Dancers may need white leotards and white dance briefs for performances. They may also be required to have black character heels.

**Male Dance Attire:** Black tights, dance belt, plain white t-shirt and black leather ballet slippers, black jazz shoes.
